Dear Sir/Madam

**THE KZN KIDNEY ASSOCIATION CHILDREN'S CHRISTMAS PARTY 2010.**

The kwaZulu-Natal Kidney Association (KZNKA) is a non profit organization that was formed in 1977 with the objective to care for people suffering from kidney disease, to create public awareness of the dangers of kidney disease, to promote medical, nursing and paramedical research and to assist with patient rehabilitation. Each year the KZNKA, aside from numerous other projects, is involved in bringing the joy of Christmas into the hearts of children suffering from kidney-related disorders by means of a Christmas party. The event was established to bring back the festive feeling of Christmas to the children who are under emotional and physical stress because of kidney-related disorders. The event has been running for 12 years and attracts over 150 children and their parents in KwaZulu Natal. This year the event will take place on the 10 December 2010, commencing at 12 noon at the Military base at the old Durban International Airport.

The KZNKA is run on a voluntary basis by a committee elected by its members. Running costs are minimal; therefore 100% of the funds donated go towards specific projects. Christmas party committee members volunteer their time and the children and their families are not asked for any remuneration for the day's activities. The children's Christmas Party can therefore only be made special and unique with the generosity of sponsors and volunteers. The members of our community offer whatever they can to support us whether it be time, money, products, their skills and/or sponsorship.

Should you wish to participate in the event or require more information on how you could assist, please do not hesitate to contact Tammi De Bruyn on 082 568 7001 or via e-mail: [tammi@genrand.co.za](mailto:tammi@genrand.co.za) who will gladly assist you.

Yours faithfully

**M NORTON-AMOR**  
Director
